

EMPIRE PREVENTS FUTURE POWER OUTAGES BY TRIMMING AND REMOVING TREES

Dear Property Owner:

A Right-Of-Way Inspector has identified right-of-way work described below. This work will be performed at no expense to the property owner when Empire line clearance professionals are performing scheduled work in your area.

It is our desire at Empire to inform and discuss our vegetation management practices with property owners. **We appreciate a timely response from property owners for confirmation and/or inquiry as we plan to perform the scheduled work as described.**

Width of prescribed work area: _____

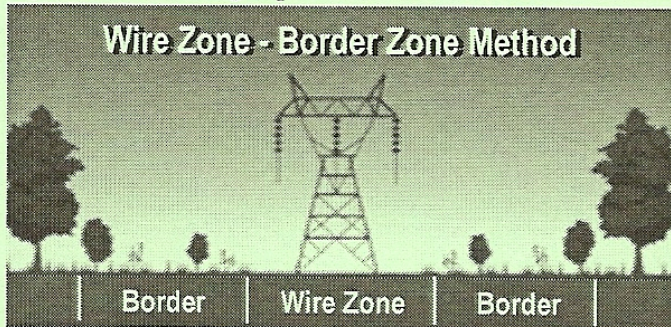

- Tree trimming work required.
- Tree removal required. Fast growing trees located on the right-of-way are unmanageable. Therefore, removal is necessary.
- Herbicide work required.
- Mechanical clearing required.
- TGR
