JOPLIN, MO – October 12, 2018 – Liberty Utilities – Empire District will present a check to the Foundation of the Home Builders Association of Southwest Missouri on Monday, October 15, at 2:00 p.m. The presentation will be held in Room H127 at the Franklin Technology Center in Joplin, Missouri.

Note: Attending media will need to check in at the front desk.

This donation will assist the Foundation with their goal: to create and sustain a long-term plan to place students into a job shadow, apprenticeship, and job placement program and award scholarships to graduating high school seniors going into the residential construction industry.

“We’re honored to present this donation to the Foundation of the Home Builders Association to provide assistance to kids who have an interest in residential construction. These kids will be growing our local communities one day and we’re grateful for this opportunity to help them succeed,” says Will Endicott, Territory Manager - Business and Community Development, Liberty Utilities.
