

**FOR IMMEDIATE RELEASE**

### **LIBERTY UTILITIES EMPLOYEES RAISE OVER \$143,000 FOR AREA UNITED WAY ORGANIZATIONS**

JOPLIN, MO – March 4, 2019 – On Friday, March 1, Liberty Utilities announced their 2018 United Way campaign results and presented a check for over \$143,000 to United Way organizations serving throughout their local service areas. The presentation took place at the Company's Riverton Power Plant located on Hwy 66, in Riverton, KS, west of Joplin.

Funds were raised through employee pledges, fundraisers, and a company match. The 2017 campaign raised a similar amount. The Company has held an annual United Way campaign for more than 50 years.

Rob McGovern, Liberty Utilities Vegetation Control Coordinator, served as chair for the Company's annual campaign. According to McGovern, "It's a great feeling to have been a part of this year's successful campaign. We're already discussing ways to make next year's campaign even better. Being committed to our community is a big priority for our employees, and this campaign really shows that. The United Way reaches local agencies that help children and others in need."

#### **About Liberty Utilities**

Liberty Utilities Co. owns and operates regulated water, wastewater, natural gas and electric

transmission and distribution utilities in 12 states, delivering responsive and reliable essential services to nearly 780,000 customers across the United States. With a local approach to management, service and support, we deliver efficient, dependable services to meet the needs of our customers.
