

FOR IMMEDIATE RELEASE

LIBERTY UTILITIES TO HOLD OPEN HOUSE FOR WHITE HALL CUSTOMERS

JOPLIN, MO – January 21, 2019 – Liberty Utilities will hold an open house for the White Hall community on January 29, 2019, at the White Hall United Methodist Church, located at 301 Church Dr., White Hall, AR, beginning at 6:00 p.m. A brief presentation will be held at 6:30 p.m. The public is encouraged to attend and visit the various booths to learn more about the local water and wastewater utility and its investments in the White Hall community.

Booths will include Liberty Utilities personnel from Customer Service, Community Engagement, Production, Transmission and Distribution, and Capital Investments and Rates. Staff members will be available to answer questions and provide more information about water and wastewater services and improvements in White Hall.

“Many customers may only think about their utility when they turn on their water or receive their bill. We want to be able to talk to our customers one-on-one to answer any questions or address any concerns they have. We believe this event will be a great learning opportunity for not only our customers, but for us as well,” says Erin Foster, Liberty Utilities’ Manager of Operations for White Hall and Pine Bluff.

About Liberty Utilities

Liberty Utilities Co. owns and operates regulated water, wastewater, natural gas and electric transmission and distribution utilities in 12 states, delivering responsive and reliable essential services to nearly 780,000 customers across the United States. With a local approach to management, service and support, we deliver efficient, dependable services to meet the needs of our customers. Liberty Utilities provides a superior customer experience through walk-in customer centers, locally focused conservation and energy efficiency initiatives, and programs for businesses and residential customers. We measure our performance in terms of service reliability, an enjoyable customer experience, and an unwavering dedication to public and workplace safety. Liberty Utilities currently operates in Arizona, Arkansas, California, Georgia, Illinois, Iowa, Kansas, Massachusetts, Missouri, New Hampshire, Oklahoma and Texas.
