LIBERTY UTILITIES ANNOUNCES CHECK PRESENTATION TO RONALD MCDONALD HOUSE OF THE FOUR STATES

JOPLIN, MO – October 29, 2019 – Liberty Utilities will present a \$10,323 check to Ronald McDonald House of the Four States at 9 a.m. on Wednesday, October 30. The presentation will be held at 3402 S. Jackson Ave, Joplin, MO at the Ronald McDonald House.

This donation is made possible by participants of the annual Liberty Utilities Charity Golf Tournament. Each year, the company's tournament benefits a local charity. This year's funds will be used by Ronald McDonald House to house families of children receiving care at local hospitals.

"Each year, we look forward to the annual golf tournament and seeing the amount of money we raise by simply getting together and having a good time outside the workplace. We chose to donate this year's proceeds to the Ronald McDonald House because they provide a temporary home for families in need, and family is something that is so important to us," says Kevin Blackburn, Senior Manager of Strategic Projects, Liberty Utilities.

About Liberty Utilities

Liberty Utilities Co. owns and operates regulated water, wastewater, natural gas and electric transmission and distribution utilities in 12 states, delivering responsive and reliable essential services to nearly 780,000 customers across the United States. With a local approach to management, service and support, we deliver efficient, dependable services to meet the needs of our customers. Liberty Utilities provides a superior customer experience through walk-in customer centers, locally focused conservation and energy efficiency initiatives, and programs for businesses and residential customers. We measure our performance in terms of service reliability, an enjoyable customer experience, and an unwavering dedication to public and workplace safety.
